The entrance hallway is particularly spacious with a substantial understairs storage. To the rear of the hallway is a downstairs WC and a door out to the rear garden and utility room.

The kitchen is at the back of the house and is fitted with an attractive range of wall and base units with a recently replaced sink, integrated electric oven with gas hob and extractor over, space and plumbing for a washing machine and space for a free-standing fridge/freezer.

Stairs from the entrance hall lead to the first floor landing, with access to an airing cupboard, all three bedrooms and the family bathroom.

Bedroom one is a large double room with window to the rear while bedroom two is also a double room overlooking the front. Both bedrooms can hold large double beds and other freestanding furniture comfortably.

Bedroom three is a large single room with a substantial walk-in storage cupboard, which could potentially be utilised to provide access to the loft should buyers wish to explore the possibility of converting this into a room (subject to the necessary planning permission).

The family shower room has a frosted window to the rear and is fitted with a white suite comprising a walk-in shower, low level WC, wash hand basin and heated towel rail. There is scope to reconfigure the shower back into a bath if needed.

Outside, the front garden is laid to lawn with a wooden fence surrounding. The tiered rear garden is half laid to lawn and half patio. The garden is enclosed by wooden panel fencing, with a gate to the rear providing easy access the nearby garage en-bloc.
