Lagmill The Bridgeway

Selsey, Chichester

Nestled in a private corner position within a desirable cul-de-sac to the south of Selsey, this detached chalet style home offers flexible accommodation that has previously been arranged as a main residence with an annexe (please note the annexe space is believed to not comply with current building regulations having been created by enclosing part of the driveway and converting the garage at some point within the last 25 years) The property is presented to the market with no onward chain, providing an excellent opportunity for buyers seeking a swift and straightforward move. Inside, the generous reception space is open plan to a kitchen/utility/dining area. The adaptable layout lends itself to a variety of lifestyle needs, whether you require additional bedrooms, a home office, or separate living quarters. A driveway to the front provides convenient off road parking, adding to the practicality of this well-appointed home.

The front area of garden is mainly laid to lawn and offers excellent potential for further development should you require additional parking or wish to store a boat or caravan, creating a hardstanding (subject to any necessary consents). To the rear, a paved seating area sits adjacent to the property, providing an inviting spot for outdoor dining or relaxation. Pathways lead to useful outbuildings and a raised sleeper style flower or vegetable bed, ideal for keen gardeners. An outside tap is also in place for added convenience.
