Welcome to Woodmuir Road, a beautifully presented two-bedroom mid-terrace home with a fully converted loft room and a south-facing garden, ideally positioned in the heart of Whitburn. Thoughtfully upgraded throughout, this modern and versatile property offers generous living space, a contemporary kitchen extension and excellent convenience to schools, shops, transport links and local amenities.

As you enter the home, you are welcomed into a bright hallway with a useful storage cupboard directly ahead perfect for keeping coats, shoes and everyday essentials neatly tucked away. To the right, the open-plan lounge and dining area offer an impressive sense of space. The lounge can easily accommodate two large sofas and a media wall, creating a perfect environment for relaxing or entertaining. The adjoining dining area provides room for a six-seater table, making family meals and hosting effortless. A large front-facing window fills the space with natural light, giving the entire room a bright and inviting feel.

To the rear of the property, the stylish kitchen forms part of a modern extension. Finished with sleek dark grey gloss cabinetry and wooden-style worktops, this impressive space is both functional and visually appealing. The kitchen includes a four-point induction hob with integrated oven and grill, integrated dishwasher, space for a washing machine and a convenient breakfast bar. With plenty of worktop and storage space, it's perfectly designed for busy households and keen cooks alike.

Upstairs, the first floor features two generously sized double bedrooms, both capable of comfortably accommodating king-size beds. Bedroom one, positioned to the rear, benefits from a triple aspect window that floods the room with natural light. This room offers excellent floor space for a large wardrobe, bedside cabinets and additional furniture. Bedroom two, located at the front of the home, also accommodates a king-size bed with ease and provides ample space for storage, making it ideal as a principal bedroom, guest room, or children's room.

The family bathroom is stylishly finished with full tiling, white gloss cabinetry, a chrome heated towel rail and a three-piece suite consisting of a bathtub with overhead shower, creating a fresh, clean and practical space.

A staircase leads to the loft conversion, a fantastic additional room offering complete versatility. Currently used as a games room, it can easily serve as a third bedroom, home office, studio or playroom. The space features a skylight window for natural light and retains accessible storage areas within the eaves, making it both functional and flexible.

Externally, the south-facing rear garden provides a private and low-maintenance outdoor space, ideal for relaxing, hosting summer barbecues or creating a play area for children. There is also room for a shed and side access between the neighbouring properties allows easy movement of bins and garden equipment without entering the home.
