Description

This property comprises a purpose built former Ambulance Station with two storey office and welfare facilities, two workshop areas and a service yard.

The main building provides an entrance reception, offices and supporting facilities. The ground floor includes a shower, washroom, store and changing rooms. The first floor provides a kitchen, offices and WCs. Gas heating serves the main building with the smaller workshop benefiting from infrared heaters. LED lighting and single glazed windows are provided throughout the property. Two brick built workshop/storage units are provided. One unit containing seven manual roller shutter doors and the other providing three. The minimum internal height within the workshops is 3.08m.

Externally, the property benefits from a yard/parking area capable of being enclosed. Further car parking is provided on Brooklands Close.

Location

The property is located on Brooklands Close, just off Hospital Road and approximately one mile west of Bury St Edmunds town centre. The property has links to the surrounding area through Junction 44 of the A14 which is approximately 2 miles east of the property and the A134 which sits approximately 1.5 miles south-east of the property.
