Reeves Close is a brand new detached home situated in the popular Norfolk village of Bawdeswell, offering generous and flexible accommodation designed to suit modern family life. The property is offered chain-free and presents an excellent opportunity for buyers seeking a new build home in a well-connected village setting.

The layout has been thoughtfully planned to provide a strong balance between open-plan living and separate reception spaces. A substantial open-plan kitchen-dining-living area forms the heart of the home, ideal for everyday living, entertaining, and family use. In addition to this central living space, there are two further reception rooms, allowing for a variety of uses such as a formal sitting room, home office, playroom, or snug, depending on individual requirements.

The accommodation comprises four well-proportioned bedrooms, supported by three bathrooms, including a ground floor wet room which adds practicality and flexibility for guests or multi-generational living. The overall floor area is generous, with both ground and first floor spaces designed to feel practical rather than excessive, making the home suitable for a range of buyers, from growing families to those looking for space to work from home.

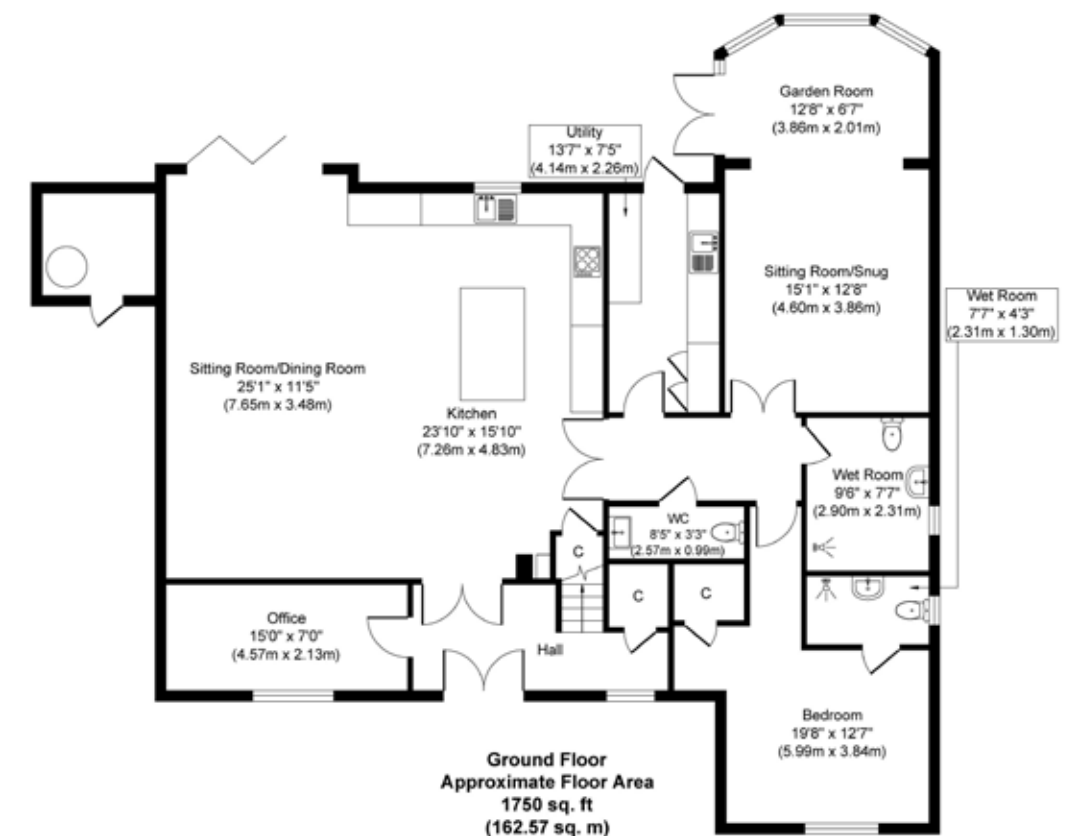

Outside, the property benefits from an outdoor workshop or outbuilding, offering useful storage or workspace potential for hobbies, equipment, or home business use. As a brand new home, the property provides the reassurance of modern construction and efficiencies, while still sitting comfortably within an established residential setting.

Bawdeswell is a well-regarded village with a strong community feel, a primary school, and local amenities all within easy reach. The village is well positioned for access to Dereham, Fakenham, and Norwich, making it suitable for those who require a balance of rural living with everyday convenience.

Overall, 5a Reeves Close offers a modern, spacious, and adaptable home in a popular village location, available with no onward chain and ready for immediate occupation.
