An enclosed entrance porch opens to an impressive reception hall which provides a most welcome introduction to this superb property. It features attractive floor coverings, stairs gracefully rising to the first floor landing, and a cloakroom having a WC and wash basin set into an integrated unit with cupboards beneath. A door opens to steps leading down to a spacious cellar.

There is an elegant drawing room with original ceiling detail, a front facing deep bay window, traditional fireplace and French style doors opening to the rear terrace and garden. There is also a cupboard housing the gas boiler.

The charming formal dining room, which could alternatively be used as a second sitting room, has a deep traditional bay window and two doors leading to the simply stunning dining kitchen.

The kitchen is fitted with an extensive range of beautiful bespoke units in addition to a matching range of dresser style units with glass fronted cabinets. There are granite work surfaces incorporating a drainer and a recessed twin bowl ceramic sink. A range style oven is framed by a decorative mantle style surround with an antique mirror splashback, and to the side is an American style fridge freezer set into a recess. The very spacious island features contrasting navy blue units and a wine cooler, with a granite work surface incorporating a dining bar. There is also an integrated dishwasher and ample space for a dining table or sofa.

The utility houses the pressurised hot water system and there is space and provision for domestic appliances.

The first floor landing is approached via a half landing, and off which leads a splendidly appointed shower room comprising an enclosed shower incorporating body jets, wash basin with integrated cupboard and a WC.

Off the first floor landing, there are five impressive bedrooms and a useful box room which could be used as a study. The luxuriously appointed family bathroom is fitted with an oval freestanding bath with a freestanding waterfall tap and handheld shower attachment, a separate enclosed shower unit with body jets, twin wash basins set onto granite tops with cupboards beneath, WC and a beautiful tiled floor.

Outside, the property stands back from the road with off road parking for four cars at the side and front. To the rear lies a porcelain sun terrace with extensive lawn beyond.

The property is situated in the established and highly sought-after Eccleshall Road which is exceptionally convenient for the county town centre with the benefit of an intercity railway station where there are regular services operating to London Euston, some of which take only approximately 1 hour 20 minutes. Junction 14 of the M6 provides direct access into the national motorway network and M6 toll.
