The village is full of life and community spirit with plenty of activities for all tastes and has the benefit of a popular local pub and a village store stocking everything you could need. Walks around the local area are easily accessed via footpaths and quiet country lanes. There has been an eco upgrade undertaken in 2025 with solar panels & upgraded insulation for the benefit of the new owner.

You enter the property through a small vestibule and then on into the open lounge/diner, a stone fireplace holding a recently fitted woodburning 'Chilli Penguin' stove sits beside the original bread oven and recess for log storage. There's a large central cross beam, good storage in the understairs cupboard and deep window seats. The kitchen has modern shaker units, and space for an integrated

slim-line dishwasher and 4 ring induction hob, the oven is mid level. There are lovely views over the garden, a separate pantry and a store to the side with access to the garden. The Aga sits at the rear of the kitchen where there is room for a table and an area that leads through to the bathroom and utility area that could be sectioned off as a downstairs bedroom if required. The bathroom has a bath, WC, airing cupboard and sink and the utility area has a shower and plumbing for a washing machine.

Upstairs there are two lovely double bedrooms, both south facing at the front of the property and there is a handy WC on this floor. A large storage area can be found under the eaves with potential to convert to a further bedroom or upstairs bathroom subject to the appropriate consents. Alongside the heat from the Aga and the woodburning stove, there are electric panel heaters and night storage heaters.

Outside there is gated parking for 2 vehicles to the side. The mature rear garden is enclosed and has lovely views over the village and fields. It's largely laid to lawn with shrub and flower borders. Wildlife such as hedgehogs, frogs and owls can be found amongst the fruit and rowan trees in this lovely haven.
