Jodie says:

“As you step inside this beautifully renovated two-bedroom end-of-terrace in Derby City Centre, you instantly feel at home. It’s been completely renovated from top to bottom, so you can move straight in without lifting a finger. Everything feels fresh and new, but the house still has loads of character.

When you walk in, the hallway instantly makes an impression with its stylish tiled floor. The front living room is lovely and bright thanks to the bay window, and it’s the perfect spot to add a cosy fire or create a feature wall. At the back, there’s a second reception room that works brilliantly as a dining space or even a snug, and this flows straight into the brand-new kitchen. The kitchen has a modern finish, fitted with a gas hob and electric oven, plus room for your washer and fridge freezer. From here you can head out to the garden through the side door, or take the stairs down to the cellar, a really handy space for storage.

Upstairs, the layout has been cleverly reworked. What used to be three smaller rooms has been turned into two generous doubles, giving you plenty of space to spread out. The bathroom has also been completely redone with a fresh, modern look including a bath and an overhead shower.

Outside, the garden is a blank canvas. Being the end terrace with no through access, it offers the chance to create a peaceful private space – whether that’s a spot to relax with a book, enjoy summer evenings, or add your own personal touch.

This house really does tick all the boxes – full of charm, beautifully finished, and ready for you to make it your own”.
