ACCOMODATION/SPECIFICATION

The bright and spacious accommodation offers entrance hall, lounge, dining room, open plan kitchen/living, four/five bedrooms with en-suite facilities. Delightful landscaped low maintenance front and rear gardens with ample off road parking together with double garage.

The specification of Vale View is at such an exceptional level and has been built to a standard and specification that puts it at approximately fifteen to twenty years ahead of its time and therefore an extremely rare standard to be available on the open market. In summary the features are as follows:-

Triple Glazed high performing tilt/turn windows supplied by Internorm (Austria) which have grey powder coated aluminium on the outside and a light wood finish on the inside to complement the contemporary style. Many windows are full height to maximise solar gain and light. Automatic opening of some roof windows which is controlled via a mixture of internal temp, external temp, amount of sunlight, month of year and time of day. There are also rain censors so that they automatically close.

Individually contemporary styled high performance front and rear external doors manufactured from oak.

Oak joinery and internal doors to ground floor, same oak doors on further levels with painted joinery.

Underfloor heating throughout the property individually controlled so that different temperatures can be set to suit the occupant. The programming of these controls is very flexible.

Quality German (Rational) kitchen with Silestone quartz worktops and large Island feature with Neff appliances.

All Bedrooms have En-Suites which are fully tiled (Porcelenos) and LED coloured lighting.

Central Ventilation System (MVHR) that controls the whole house to provide high quality indoor air but in an energy efficient manner. This unit is sited in its own designated cupboard on the first floor.

Ceiling Speakers in most rooms wired to a central hub with extensive CAT cabling to connect satellite.

Extensive Wifi provision with CAT cabling on each floor and detached garage.

Brushed steel sockets and light switches throughout, all rooms have one socket with a USB point.

TENURE: FREEHOLD

COUNCIL TAX BAND: H

FLOOR AREA APPROX: TBC

VIEWING: STRICTLY BY APPOINTMENT

External power sockets and also cabling for future provision to easily upgrade for electric/hybrid car charging. Extensive 'smart home' features for controlling lighting and heating. An app on a smartphone facilitates controlling all these features whilst the owner is anywhere in the world. Solar Thermal Panels on the main house roof that generate hot water via a large storage cylinder for supplying baths, showers etc. Photovoltaic Panels on the garage roof that generates electricity which also provide an annual income.

LOCATION

The property is situated on the outskirts of Groesfaen and Creigiau village close to local amenities which include a public house, restaurant, primary school, post office, Tesco Express, golf club and recreational park.
