The owners bought the property in 2019 and over the course of the time they have lived there, they have extended and refurbished. Engineered Oak flooring to the hall, kitchen area and living area. Palio Karndean flooring to the bathrooms, oak work surfaces to the kitchen and breakfast bar. Take in the designer screen from the hall to the living area. In the rear south west facing garden there is composite decking and the external surrounds to the quad fold doors are in cedar.

Storage has been given a lot of thought-loft, fitted wardrobes to both bedrooms, the former garage plus 2 additional sheds.

You will see that of thought has been given to the layout to create a bright property with a number of windows, which are all new since they moved in.

The porch is ideal and they have created a separate loo in the hall.
