## Property Description

Thomas Brown Estates are delighted to present this spacious (purpose built) three-bedroom semi-detached home, quietly positioned and offered to the market with no forward chain. The property boasts excellent potential to extend (STPP) and represents a fantastic opportunity for buyers looking to modernise and add value.

The accommodation comprises an entrance hall, a generous lounge, a fitted kitchen/diner, lobby/utility room, and a ground floor WC. To the first floor are three well-proportioned bedrooms and a shower room.

Externally, the property benefits from a good sized rear garden, a garage (for storage purposes only), and off-street parking.

While the property has been externally rendered, boasts an air source heat pump and fitted with solar panels, it does require internal redecoration and modernisation in places, offering buyers the chance to create a home to their own taste.

Ideally located on Chorley Wood Crescent, the property is within easy reach of St. Mary Cray Station, well-regarded local schools, shops, bus routes, and nearby parks and National Trust land.

Internal viewing is highly recommended. Please contact Thomas Brown Estates in Orpington to arrange a viewing.
