– RIDGEVIEW COURT –

A rare opportunity to acquire a large apartment in a well-kept development.

Two bedroom property. Asking price of £575,000

Located on the first floor of this well-kept residential development, this substantial apartment extends to approximately 1,000 sq ft, offering exceptionally well-balanced and spacious accommodation throughout.

The flat is entered via a welcoming hallway which provides access to all principal rooms, creating a practical and well-considered layout. To the front of the property is a large reception room, offering generous living and dining space and benefiting from direct access to a private balcony, ideal for outdoor seating. Adjacent to the reception room is a separate eat-in kitchen, which provides ample space for a dining table and everyday family use, along with good worktop and storage provision. The kitchen's position allows it to function as a true hub of the home while remaining distinct from the main living area.

The accommodation includes two well-proportioned bedrooms, both positioned away from the main living space, enhancing privacy and quiet. The principal bedroom is particularly spacious, while the second bedroom is also of excellent size and versatility. The flat benefits from both a bathroom and a separate shower room, an increasingly sought-after feature that adds convenience for families and guests alike.

The property is presented in excellent condition, albeit with a slightly dated interior, offering a superb opportunity for a purchaser to modernise and add value over time. With its generous proportions, private outdoor space and thoughtful layout, this is a rare opportunity to acquire a flat of this size in the area.
