Description

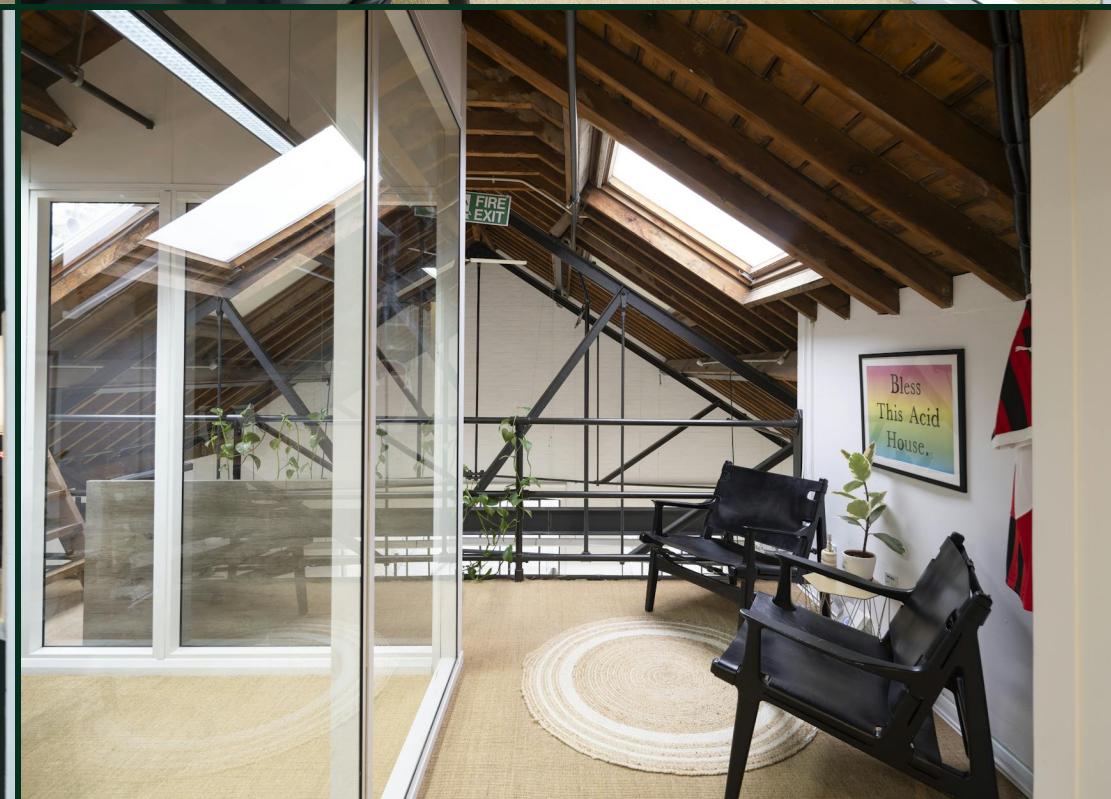

The unit is a beautiful Grade II listed workspace that brings together historic character and modern practicality. Original features, including Crittall windows and a loading bay, add real charm, while the triple-height open-plan space, three private meeting rooms, air conditioning, and a well-equipped kitchen and shower room make it highly functional. Offered unfitted, it gives a tenant the opportunity to shape a distinctive, dynamic, and inspiring workspace of their own.

Location

Located on Wharf Road, Waterside sits at the heart of North London and is ideally positioned for convenience and connectivity. The estate benefits from excellent transport links, with Angel and Old Street stations close by, and is surrounded by a lively mix of local amenities, cafés, and restaurants. Uniquely, Waterside overlooks the Wenlock Basin, which flows into the Regent's Canal.

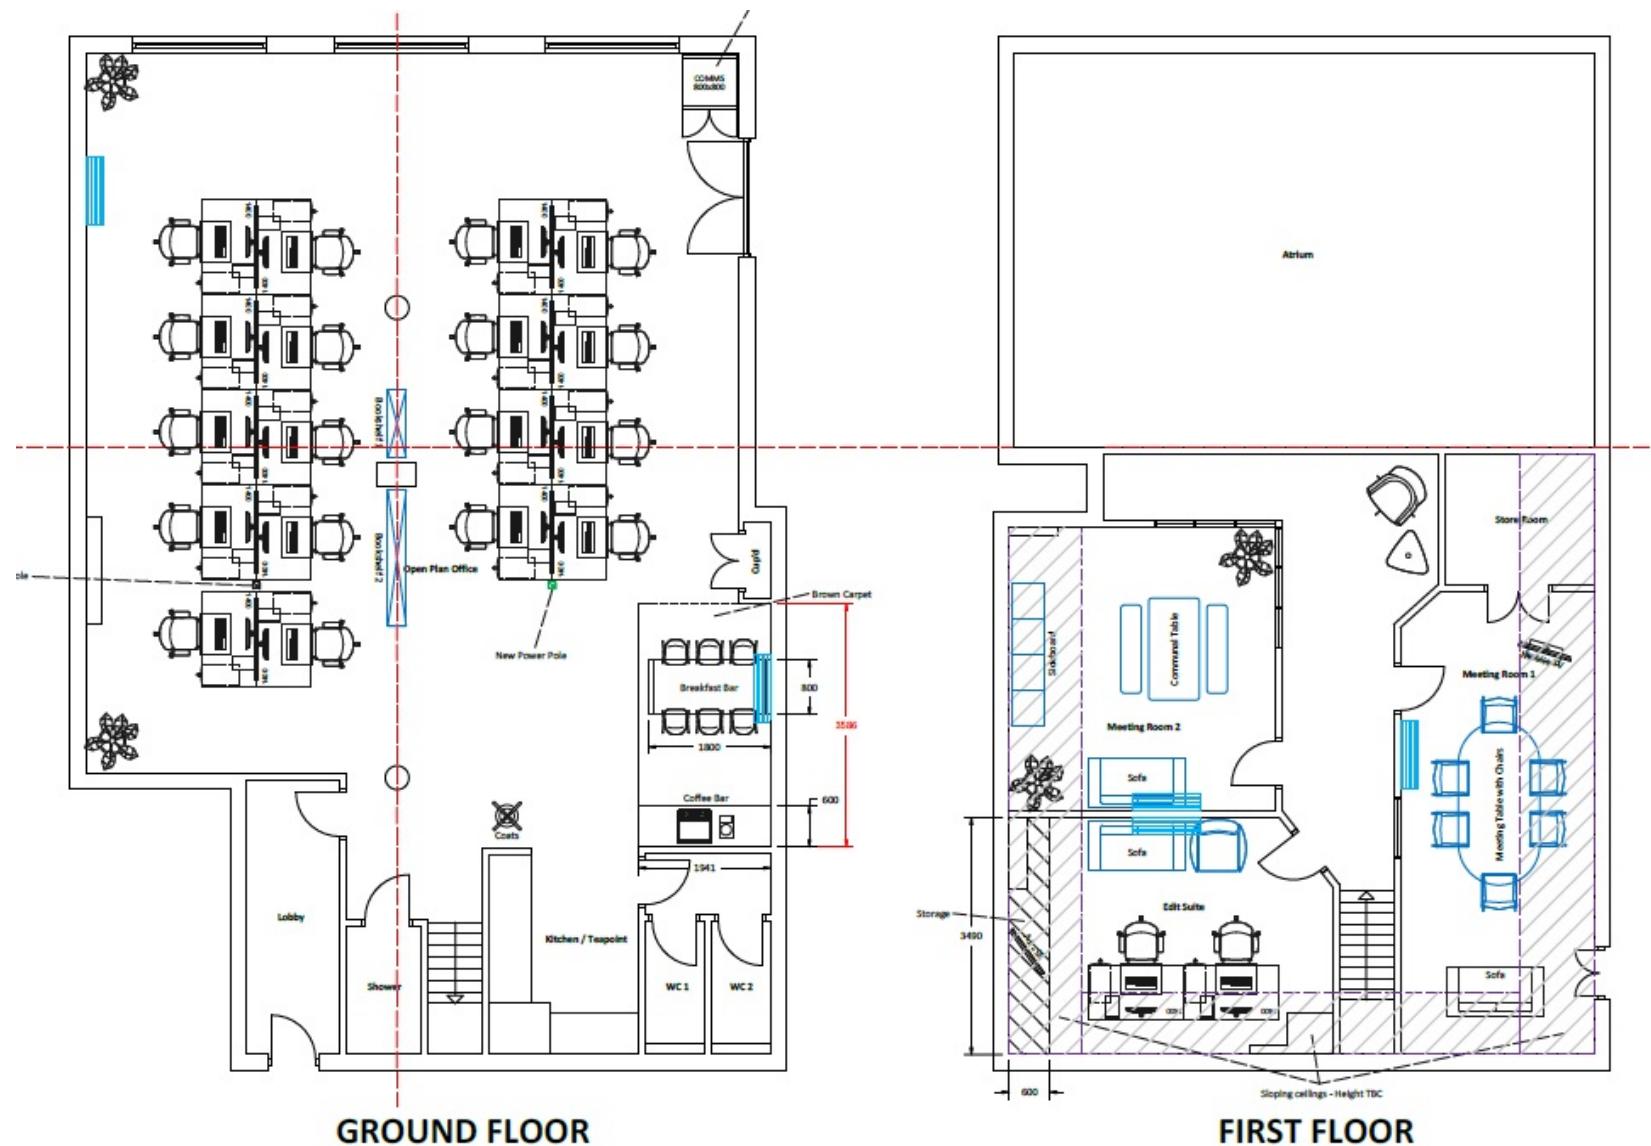

This waterside setting is enjoyed by all tenants, who make use of the landscaped canal edge as a shared space to meet, eat, and unwind during the day.
