Bow offers a strong sense of community along with a range of everyday amenities including a village shop, garden centre with café, primary school and good transport links to both Crediton and Okehampton, making it an increasingly sought after location for families and those looking to enjoy village life with convenience close at hand.

The property itself is a spacious chalet style bungalow that provides flexible and generous accommodation, ideal for family living or for those looking for ground floor bedrooms with further space above. In total there are four bedrooms, with a layout that allows the house to adapt easily to different needs over time. The main living areas include a good sized living room along with a kitchen and the fourth bedroom is currently being used as a dining room.

There's also a conservatory to add to the living spaces. It has the benefit of uPVC double glazing throughout. There are also leased solar panels in place, providing a helpful contribution towards energy efficiency and running costs.
