A carpeted staircase with handrail rises to the first floor Bedroom 1, while replacement panel doors from the hallway lead to the kitchen, living room, two ground floor bedrooms and bathroom.

The kitchen has a window to the side and is fitted with light grain units, complemented by granite work surfaces with a circular single drainer sink unit with mixer tap, integrated 4 ring electric hob with hood over and double oven/grill under, space and plumbing for a washing machine and slimline dishwasher and space for a free standing fridge/freezer, along with a wall mounted cupboard housing the gas boiler.
