

68 HIGHER DAYS ROAD, SWANAGE
£565,000 Freehold

This immaculately presented modern detached bungalow is located in a popular residential position, approximately one and a half miles from the town centre and adjoins open countryside at the rear. The property is thought to have been built during the mid 1980s and is of traditional cavity construction, the outer walls being of natural Purbeck stone under a concrete interlocking tiled roof.

The bungalow has been extended and renovated by the current owner to a high standard including stylish kitchen and bathroom suites. It also has the considerable advantage of fine views over the town to the Purbeck Hills, an attractive landscaped rear garden, and a single garage with additional parking in front.

Swanage lies at the Eastern tip of the Isle of Purbeck delightfully situated between the Purbeck Hills. It has a fine, safe, sandy beach, and is an attractive mixture of old stone cottages and more modern properties, all of which blend in well with the peaceful surroundings. To the South is Durlston Country Park renowned for being the gateway to the Jurassic Coast and World Heritage Coastline.
