This well-presented extended detached family home offers spacious and flexible accommodation, perfectly suited to multi-generational living thanks to the impressive self-contained annex located above the double garage. The heart of the home is the stunning 33' x 19' open-plan living room and kitchen — a bright, airy space featuring an excellent range of units and two sets of twin double-glazed doors opening directly onto the rear garden. From here, there is also convenient access into the substantial 22' x 17' double garage, which presents exciting potential for conversion into additional living space if desired. Completing the ground floor is a welcoming front reception room, snug/office with parquet flooring under the carpet and a cloakroom.

Upstairs, a generous landing with a large built-in cupboard leads to the principal bedroom with fitted wardrobes and an en-suite shower room, alongside two further double bedrooms and a modern family bathroom.

The annexe, accessed via its own private entrance from the rear garden, provides superb independence for relatives or guests, offering open-plan living and a contemporary shower room.

Outside, the secluded rear garden is thoughtfully maintained, mainly laid to lawn with a spacious patio, surrounding pathway, and access to a lovely summerhouse — ideal as a home office. Juniper Drive is a desirable cul-de-sac within easy reach of the town centre and mainline station.
