Panel doors lead to the two ground floor bedrooms and cloakroom, which has a close coupled wc, wall mounted wash basin, tiled flooring and a double glazed window to the side.

Bedroom 1 is positioned at the rear of the property and is a good size double room with built-in triple wardrobe, radiator, fitted carpet and double glazed window with feature bench seat and double glazed door with flank double glazed panel to the rear, providing access into the rear garden. Bedroom 2 has a double glazed window to the front, radiator, fitted double wardrobe and fitted carpet.

The first floor has an open plan feel with the staircase rising into a light, bright and airy living room with fitted carpet, large radiator and large double glazed picture window to the rear boasting superb views towards the sea. A glazed door leads to the side into a sun room, while a pair of glazed doors lead into the adjoining kitchen. Further doors from the sitting room lead into the dining room, bath/shower room and useful built-in shelved storage/linen cupboard.

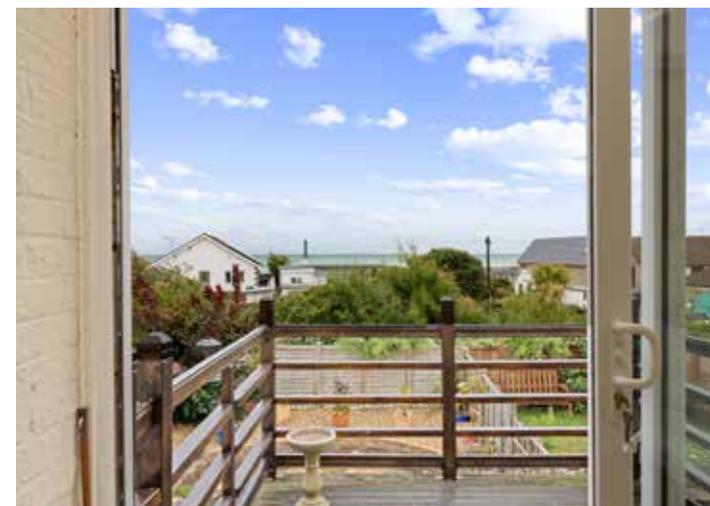

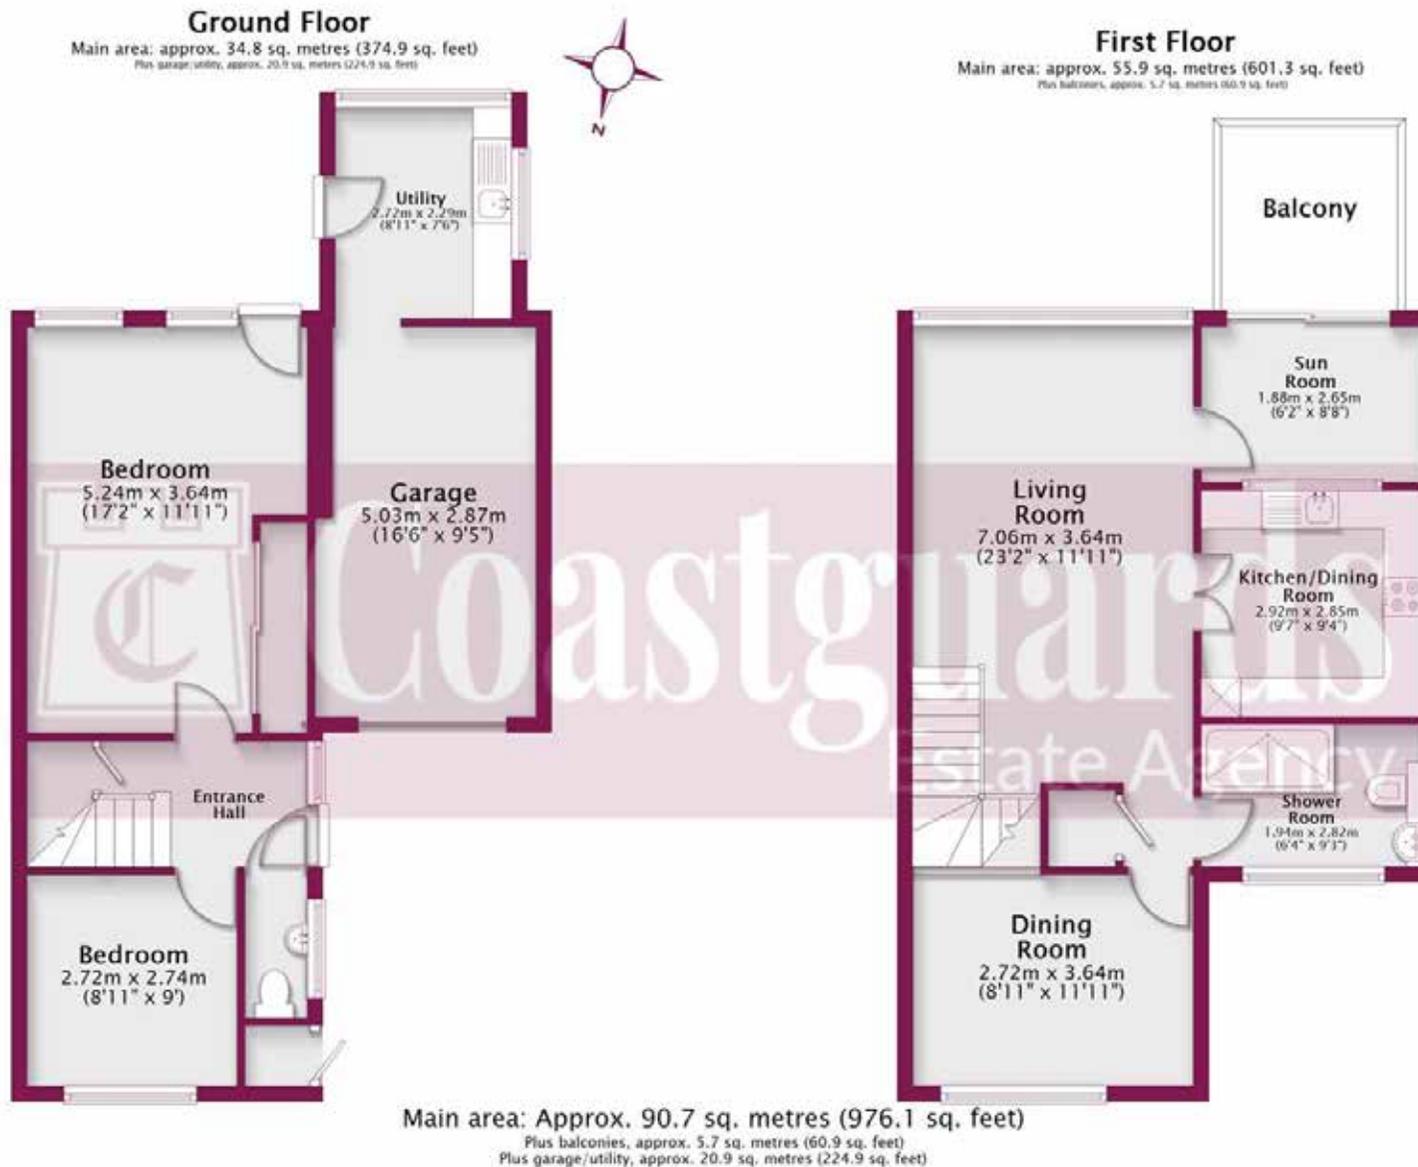

The kitchen provides a comprehensive range of units, roll edge work surfaces, integrated 4 burner gas hob with hood over, eye level newly installed microwave with oven under, space and plumbing for a full size dishwasher and space for a free standing fridge/freezer, along with an access hatch to the loft space and window to the rear into the sun room with sea views beyond.

The sun room, accessed from the living room, has a tiled floor, radiator and double glazed sliding patio door leading out onto a raised decked balcony/verandah with balustrade, both enjoying views out to sea.

Externally, there is an open plan frontage laid to shingle for ease of maintenance with driveway providing on-site parking for two cars in front of the garage, along with a purpose built integral bin-store which houses the wall mounted gas combination boiler, electric meter and fusebox. The garage has an up and over door at the front with natural light glazing over, power and light, wall mounted gas meter and walkway at the rear leading through to the adjoining utility room, which has double glazed windows to the side and rear, along with a double glazed door to the side providing access into the rear garden, a double drainer sink unit and space and plumbing for a washing machine and dryer.
