Full Description

This well proportioned home offers a distinctive and versatile layout, ideal for buyers seeking both comfortable living space and something a little different. The property combines a practical internal arrangement with additional lifestyle features, including a bright conservatory and a detached outbuilding that adds a unique dimension to the home. With well sized rooms throughout and a natural flow between living areas, it provides an inviting environment suited to both everyday living and entertaining.

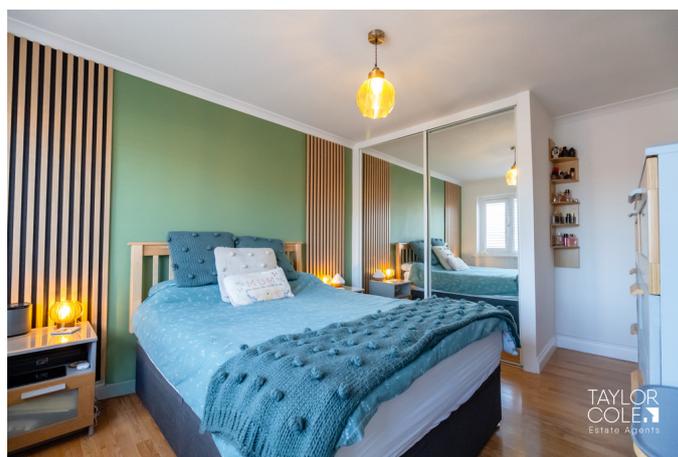

In addition to its internal accommodation, the property stands out for its flexibility and potential. The detached outbuilding, currently arranged as a bar, offers excellent scope for a variety of uses such as a home office, studio or hobby space, while the overall layout presents opportunities for personalisation. This makes the home particularly appealing to first time buyers, downsizers or investors looking for a property that can be adapted to suit individual needs.

THE FORE

The property is approached via a straightforward frontage, offering a neat and accessible entrance into the home, complemented by the added benefit of a front driveway. Its positioning provides a pleasant residential setting with convenient access.

GROUND FLOOR

The ground floor comprises a well sized living room positioned centrally within the home, providing a comfortable and sociable space. To the rear, a conservatory extends the living accommodation and offers an ideal spot for dining or relaxing while enjoying views of the garden. The kitchen is located to the front, fitted with essential units and benefiting from nearby storage cupboards. The layout provides a practical flow between the main living areas.
