

HOUSE & SON

An excellent opportunity to secure this beautifully refurbished three-bedroom bungalow, offered with vacant possession and no forward chain. The property has been comprehensively updated throughout and presents a bright and well-finished home, ready for new owners.

Recent improvements include continuous laminate flooring throughout the main living areas, a newly fitted kitchen with electric fan oven and hob, plus space for additional under-counter white goods, and a modern family bathroom. Further upgrades include updated electrics, a newly installed central heating system, replacement internal doors with new fittings, and full redecoration throughout, including fresh plastering, providing a contemporary finish.

Externally, the property is set behind a tiered front garden, which positions the bungalow away from the road and creates an attractive frontage. A generous block-paved driveway to the side provides off-road parking for several vehicles and leads through to the rear garden. A hard-standing area at the rear offers potential for a future garage or workshop, subject to any necessary permissions.

The rear garden is mature and well-proportioned, featuring lawned areas, a patio immediately to the rear of the house, a large timber shed, and additional hard-standing, providing an ideal space for seating, entertaining, or further landscaping to suit individual preferences.

The property is located within the highly regarded Northbourne area, close to the Stour Valley Nature Reserve which offers pleasant walking and cycling routes. Local shops and everyday amenities are nearby, along with well-known eateries including Toby Carvery and Costa Coffee. Residents also benefit from convenient access to Castlepoint Shopping Centre, Boumemouth Airport, and the A338, making this a practical location for commuting and leisure.
