DESCRIPTION

Hutton Buscel is a highly regarded and sought after village, typified by a picturesque main street, lined with stone character cottages of which 82 Main Street is one such charming example. This 18th Century property is perfectly positioned to take in far reaching views looking southward towards the Wolds from the bedrooms and takes in a superb view towards Wykeham Forest from its back garden. As a whole the property offers a huge amount of versatility. As well as the main house there is a separate detached barn, converted around 20 years ago to create an independent property with planning permission to be used as a holiday cottage. Perfect for a buyer looking to create an income stream from the house, but equally useful as additional entertaining space for the main house or as an annexe for multi-generational living.

82 Main Steet provides around 1,100 square feet of attractive, modern accommodation with two front facing reception rooms, farmhouse kitchen, rear hall and a ground floor bathroom. Upstairs are three double bedrooms and shower room. The Barn stands opposite to the main house and provides almost 800 square feet of space, with a large and airy main reception room with a vaulted ceiling, generous hallway, kitchen and shower room to the ground floor. On the first floor is a generous bedroom.

There is a large garden with a vegetable plot & fruit trees and plenty of space for keeping chickens if you want to have a go at living 'the Good Life'. At the bottom of the garden is a 2.1 acre paddock which the current owners rent from Dawnay Estates. The Estate has indicated they would be happy to continue with this arrangement subject to mutual agreement, so you could keep your horse at home and benefit from the fantastic local hacking on your doorstep. Please refer to the back page where this additional land is edged in blue.
