Full Description

This well presented three bedroom, three storey home offers spacious and versatile accommodation, ideal for modern living. Arranged over three floors, the property provides a practical layout with well proportioned rooms, making it suitable for a range of buyers including families and professionals.

The home combines character with functionality, featuring multiple reception areas and a generous top floor principal bedroom. The overall layout maximises space and natural light, creating a comfortable and inviting living environment throughout.

THE FORE

The property is situated on Hospital Street, a convenient and well established residential location with the benefit of ample street side parking available directly outside. The frontage reflects the traditional style of the home, with a modest and welcoming entrance.

The setting provides easy access to local amenities and transport links, making it a practical choice for day to day living while still offering a sense of community.

GROUND FLOOR

The ground floor comprises a welcoming dining room to the front, leading through to a spacious living room which provides a comfortable central hub of the home. To the rear, the kitchen is well arranged with integrated appliances and direct access to the side/rear making it both practical and convenient for everyday use.

A useful utility/WC is located off the kitchen, adding further practicality, while built in storage and stair access are neatly integrated into the layout. The flow between rooms creates a functional and sociable ground floor space.
