This method requires both parties to complete the transaction within 56 days, allowing buyers to proceed with mortgage finance (subject to lending criteria, affordability and survey). The buyer is required to sign a reservation agreement and make payment of a non-refundable Reservation Fee of 4.5% of the purchase price including VAT, subject to a minimum of £6600.00 including VAT. This fee is paid in addition to purchase price and will be considered as part of the chargeable consideration for the property in the calculation for stamp duty liability. Buyers will be required to complete an identification process with Iamsold and provide proof of how the purchase would be funded. The property has a Buyer Information Pack containing documents about the property. The documents may not tell you everything you need to know, so you must complete your own due diligence before bidding.
