Property Description

This beautiful home has a side entrance hall which leads in the centre of the property.

The bedrooms are located across the front of the property and are both double bed roomed size. The shower room is located to the side of the hallway and has been modernised.

The living room is great size and has lovely presentation with doors leading into the orangery and then onto the kitchen. This is a change from the original design and it allows for great living space in the room.

The kitchen is modern and has a range of base and wall units with appliances and extra space for units from the original.

To the rear is a large orangery dining area, just brilliant bathed in sunlight and overlooking the low maintenance rear garden.

The garden itself is a great size and faces the sunsets giving it natural sunlight through most of the day.
