The accommodation comprises an entrance porch and an entrance hall with stairs leading to the first floor. The kitchen benefits from a range of base and wall units along with integrated appliances and an island. The kitchen/lounge area also has underfloor heating and a door to the utility room - which was originally the kitchen - again with a sink, drainer and a range of base and wall units with a door opening to the side of the dwelling. There are two bedrooms on the ground floor and a family shower room.

To the first floor are two further double bedrooms and a bathroom. Bedroom two has access to the loft area.

Outside - To the front of the property is off-road parking which leads to further parking behind a gate and to the double garage. The garden to the rear has been fantastically designed and maintained, in our vendors' time there, with two large patio areas, lawned garden with the flowerbeds being stacked with mature plants, trees and shrubs. This garden has been cleverly

designed with certain areas for you to go and grow fruit and vegetables, sit and relax and look across to the church. In the garden is a summerhouse and three good size sheds - ideal for storage or creating a workshop.

As previously stated, the gardens are stunning and a viewing of the property is highly recommended not only for the dwelling but for the garden, to appreciate the love that has been put into it.

LOCATION:

Situated within the village of Chilton Trinity on the favoured west side of Bridgwater. The property overlooks the attractive village church. Bridgwater offers a full range of amenities including retail, educational and leisure facilities. The M5 junctions 23 and 24 are nearby along with main line links via Bridgwater Railway station.
