## **Location**

The Rectory is situated in the village of Friston, between Aldeburgh and Snape. The village has a church, village hall and public house. Most everyday needs can be found in the nearby town of Saxmundham, about three miles to the north or in Leiston, just over three miles away.

Friston lies approximately four miles from the very well known coastal town of Aldeburgh which has a thriving high street with many local and national shops and restaurants as well as a golf club and sailing club. The village of Snape is within about three miles and here there is the famous Snape Maltings concert hall, home of the Aldeburgh Festival. The remaining areas of the Heritage Coast including Orford, Thorpeness, Walberswick and Southwold are all within easy reach. The nearest railway station is at Saxmundham from where there are connecting trains to Ipswich and some trains direct to London's Liverpool Street station.

## **The Accommodation**

Entering through glazed UPVC door into

### **Entrance Porch**

NOTE: Items depicted in the photographs or described within these particulars are not necessarily included within the tenancy agreement. These particulars are produced in good faith, are set out as a general guide only and do not constitute any part of a contract. No responsibility can be accepted for any expenses incurred by intending purchasers or lessees in inspecting properties which have been sold, let or withdrawn.

**August 2016**

## Directions

From the A12, take the A1094 signposted Aldeburgh and continue for approximately three miles bypassing the village of Snape. Take the left hand turning signposted Friston onto the B1121 and continue along this road into the village. On entering the village the property will be situated on the right hand side as identified by a Clarke and Simpson 'To Let' board.

## Energy Performance Certificate

The Rectory, Aldeburgh Road, Friston, SAXMUNDHAM, IP17 1NP

Dwelling type: Detached house Reference number: 9741-2803-7293-9405-2121  
Date of assessment: 07 November 2015 Type of assessment: RdSAP, existing dwelling  
Date of certificate: 07 November 2015 Total floor area: 195 m<sup>2</sup>

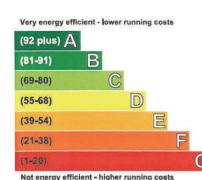

### Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

Estimated energy costs of dwelling for 3 years:	£ 6,900
Over 3 years you could save	£ 3,456
Estimated energy costs of this home	
Current costs	Potential costs
Lighting	£ 501 over 3 years
Heating	£ 5,595 over 3 years
Hot Water	£ 804 over 3 years
Totals	£ 6,900      £ 3,444

These figures show how much the average household would spend in this property for heating, lighting and hot water. This excludes energy use for running appliances like TVs, computers and cookers, and any electricity generated by microgeneration.

### Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

### Top actions you can take to save money and make your home more efficient

Recommended measures	Indicative cost	Typical savings over 3 years	Available with Green Deal
1. Cavity wall insulation	£500 - £1,500	£ 1,116	✓
2. Floor insulation (solid floor)	£4,000 - £6,000	£ 450	✓
3. Low energy lighting for all fixed outlets	£75	£ 165	

See page 3 for a full list of recommendations for this property.

To find out more about the recommended measures and other actions you could take today to save money, visit [www.direct.gov.uk/savingenergy](http://www.direct.gov.uk/savingenergy) or call 0300 123 1234 (standard national rate). The Green Deal may allow you to make your home warmer and cheaper to run at no up-front cost.
