Constructed in 1999 to a very high specification, an immaculately presented detached family home which extends to approximately 2546 sq ft. The bungalow occupies a large site which extends to just over 1 acre, which is predominantly laid to lawn together with large detached garage and brick outbuildings. Situated approximately 2½ miles from the centre of Darlington in a pleasant rural position ideally positioned for anyone requiring access to the A1(M) with excellent links to commercial centres throughout North-East of England. The property also benefits from a large storage container which is situated to the rear of the grounds, with electric roller door and power supply. This could easily be converted to a workshop or storage facility. The accommodation has been well equipped and fitted to a very high standard to include a fully fitted kitchen with integrated appliances, solid granite worktops and free-standing granite table. The four double bedrooms are fitted with good quality furniture with the master bedroom benefiting from an en-suite shower room and separate dressing area. The property features a large octagonal shaped living room to the rear. Internal viewing is strongly recommended and is the only method of appreciating the high standard of accommodation.
