The open plan living and dining area is perfect for entertaining, with the charming bay windows adding a beautiful feature point. These allow the gorgeous views of the river and Battersea Park, including the iconic Pagoda, to flood into the flat.

You will also find a separate kitchen and two large bedrooms, both with built in wardrobes and views to the rear across the rooftops of Chelsea. One bedroom also has an en suite bathroom and there is a large separate bathroom for guests. Residents will benefit from direct lift access into the flat from the lobby, as well as the option of using the staircase.
LOCATION
Turner’s Reach House occupies a desirable position on Chelsea Embankment, offering easy access to the popular shops and restaurants of Sloane Square and the King’s Road, as well as to Chelsea’s finest ‘secret garden’, The Physic Garden. The green open spaces of Battersea Park are just a short walk away and the riverside walkways offer fantastic walking or running routes. District and Circle lines from Sloane Square (0.8 miles), as well as numerous bus routes, provide access to the rest of central London.
