Excellent four bedroom split level maisonette, well located just south of Roman Road and in close proximity to Victoria Park.

It’s quite rare to find four bedroom flats within these low rise local authority developments and this one measures well over 1,000 square foot. Accessed via your own front garden and front door, the ground floor boasts a bright and spacious living room with patio door that leads to the private rear garden. There is a separate Kitchen/diner and a ground floor cloakroom with WC. On the first floor there are four bedrooms, three of which are generous doubles and a family bathroom. Throughout there is good built-in storage and the property is presented in good condition.

Tay House is well placed for Roman Road and Market, whilst Victoria Park is easily accessible. There are good bus routes from Roman Road and the nearest station is Mile End Underground (Central, District and Hammersmith & City).
