Existing Owner's Review

Please find below the words of an existing owner of a similar apartment:

We've been consistently visiting Pembrokeshire as a holiday destination since the '80s and Newport in particular has always been a special place to us.... I mean.... Just look at that beach!!!.... Look at the bay... all so beautifully "crowned" by Dinas Head. Even when the weather is not too great... perhaps after having rained for much of the day, one can usually count on it settling towards evening and finishing off with yet another spectacular sunset.

Over the years, we had commented on how the golf club was so beautifully located (with our children, we had even stayed in the original buildings more than twenty five years ago!). We had occasionally dreamt of owning a second home in Newport, but such an aspiration always seemed out of reach financially.... until we became aware of the club's plan to sell their hotel accommodation.

At last, we were able to buy into the area we so loved. Location, location, location.... We did not hesitate in agreeing to purchase this tiny slice of Newport Bay! Deciding to give the interior a coastal "New England" feel, and working with very cooperative and capable local tradesmen during the 16/17 winter, we were able to create our perfect "Bolthole"... a studio apartment providing comfortable self catering accommodation for two.

We don't even play golf!... But the course provides a wonderful setting and we love the beach, the long walks, occasional sailing and, frankly.... just being in such a stunning location... at any time of year...

Being the only two people (with one dog) walking along that vast beach, on a sunny morning in February, is remarkably good for the soul!

In spite of our lack of interest in golfing.... several friends and relatives enjoy the game. Only yesterday, some neighbours returned back from "The Bolthole" after a week playing golf and walking the coastal path. Their comments about the whole experience.... "Wow!" and "everyone seems so friendly". Our primary reason for buying "The Bolthole" was for our own pleasure... but during the spring, summer and autumn, in addition to ourselves.... several neighbours, friends and relatives, plus some great visitors booked directly through the club, have ensured that "The Bolthole" has been enjoyed for much of the time.... and has provided some welcome income.

All the people who contribute to the running of the golf club are really friendly and helpful.... a great team. The whole purchasing transaction was relaxed and enjoyable... and since purchase was completed last year (2016)... we have got to know most of them quite well. There has been no hesitation in their fulfilling any of the provisions formally and informally agreed during the sale. What's more... we have also got to know some of the other purchasers of the apartments... and shared our observations, casual rhetoric and our beers, wines and G&Ts whilst watching the setting summer sun vanish down beyond the horizon.

Not to be ignored: Newport, for such a small town, is remarkably well provided for by some great pubs, restaurants and cafes.
