Smoke Alarms

It is important that, where not already fitted, suitable smoke alarms are installed for the personal safety of the occupants of the property. These must be regularly tested and checked.

Appliances and Services

The mention of any appliances and/or services within these sales particulars does not imply that they are in full and efficient working order.

The Properties Misdescription Act, 1991

While these particulars have been carefully compiled and are believed to be accurate, no warranty is given in this respect and potential purchasers should satisfy themselves as to any points arising therefrom. None of the items in the sales of working or running nature such as central heating installations or mechanical equipment (where included in the sales) have been tested by us and no warranty is given in this respect and potential purchasers should satisfy themselves as to any points arising therefrom. Any photographs used are purely illustrative, and may demonstrate only the surroundings.

They are not therefore taken as indicative of the extent of the property, or that the photograph is taken from the boundaries of the property, or of what is included in the sale.

Whilst every attempt has been made to ensure the accuracy of the floor plan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission, or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
