WALKHAMPTON Guide £265,000

Stonecroft, Church Road, Walkhampton PL20 6JX

SITUATION AND DESCRIPTION

An enviably located semi-detached house which backs onto fields, offering off-road parking, garage and views across this Dartmoor village.

The property was built, we understand, in 1988, has never seen the open market and has been extended by the current owners with a garden room in 2005. The situation of the property is a particular feature, positioned along a tranquil lane but still only a short walk to the centre of the village.

The property is well presented and benefits from PVCu double glazing and further insulation measures. There is potential for gas central heating and we understand that the current owners are having gas brought to the property and also that they have considered extending the living space into the loft area for further bedrooms (this would require relevant planning permission). The accommodation comprises porch, cloakroom, sitting room, kitchen/dining room and garden room. To the first floor are three bedrooms and a bathroom.

To the side of the house is a garage which provides a utility space and workshop. The rear garden is on two levels with a patio area for seating with steps up to the lawn and field boundary. There is also a useful garden shed.
