Offering what we consider to be incredible value for money, this well appointed house has been refurbished and benefits from three good sized bedrooms. Upon viewing, we particularly liked the good sized lounge which has pleasant views towards east Brighton in addition to the modern fitted kitchen which is large enough to accommodate a breakfast table. The icing on the cake is the contemporary family bathroom. Unusually, the property has scope to extend on the lower level into the current cellar, potentially generating additional bedrooms or further living space. The secluded rear garden has an easterly aspect and provides a pleasant space to relax. Offered for sale with no on going chain, the property boasts gas fired central heating and double glazed windows. Lambourne Close is a quiet residential close within walking distance of a Station, local shops at the Fiveways and popular schools. Viewing is highly recommended via Spencer & Leigh.

Lambourne Close is situated in a popular area and affords easy access to Hollingbury Golf Course and the countryside. There are what are considered to be good local schools catering for all ages along with a selection of local shops and restaurants situated nearby at The Dip and the ever popular Fiveways. Travel networks in and out of the city are easily accessible as is Moulsecoomb railway station.
