SITUATION

The property lies in a hamlet on the fringe of the small village of Stoke Climsland, served by a Post Office/general store, primary school and thriving community. Less than 3 miles away is the town of Callington, which has doctors, dentists and veterinary surgeries, places of worship and Tesco store. Approximately 9 miles to the east is the picturesque market town of Tavistock with its excellent range of facilities including shops, restaurants, pannier market, leisure centre and many sporting facilities as well as access to the majestic Dartmoor National Park. In addition there are private and secondary schools to A-level standard including Kelly College and Mount House preparatory school. To the north is the former market town of Launceston where there is access to the vital A30 trunk road which links the cathedral cities of Exeter and Truro. At Exeter there is access to the M5 motorway network, mainline railway stations serving London Paddington and international airport. To the south lies the city port of Plymouth with a deep water marina and cross channel ferry port serving northern France and Spain.

DESCRIPTION

A skilfully converted property that has been subject to considerable expenditure by the current vendors, creating a tasteful home of rare quality and comfort with over 3000 sq.ft of accommodation. The property successfully combines the character and charm of the period with more modern features including a contemporary kitchen/breakfast room and glass fronted atrium. In addition there is planning permission for a detached dwelling within the grounds.

ACCOMMODATION

The accommodation is clearly illustrated on the floorplan overleaf and briefly comprises an entrance hall with door to the atrium and steps to the inner vestibule. From the inner vestibule steps lead down to the study, which could also be used as an additional bedroom and to the lounge with two

The kitchen offers a large feature island unit, polished stone worktop, electric Aga and walk-in pantry. A door leads to the utility room/boot room with door to the garden and a separate wc.

The first floor is reached via two open tread staircases. From the atrium, a staircase leads to the master bedroom with en suite shower room and two dressing rooms. From the lounge, a staircase leads to two further bedrooms and a family bathroom.

An external staircase leads to a storage area which can be accessed via a trap door and provides crawl space across the carport and workshop areas.

The gardens are to the rear and side of the property, laid mainly to lawn with well-defined hedge and fence boundaries. An attractive garden arbour enjoys views over the surrounding area. In addition there is a useful range of sheds, and an adjoining pasture paddock of some 1.734 acres which has separate road access and a public footpath on its eastern boundary.

The property extends in all to 2.54 acres or thereabouts.
