Bourton on the hill is a charming Cotswold village cited on the east facing elevation mid-way between Blockley and the market town of Moreton in Marsh. Within the village the popular and well-regarded Horse and Groom public house is within walking distance of the property. Located at the top of the hill is a petrol and service station. Moreton in Marsh offers a wide range of local, chain and independent stores, together with the mainline railway station to London Paddington.

Rambler Cottage comprises a charming character period property located in the heart of this desirable Cotswold village. An unmade track from the street leads to the rear of the cottages where a pathway runs the full length of the garden leading to Rambler Cottage.
