General Information

Services

Mains, electricity and water are connected to the whole of the property. Drainage is from a modern plant located beyond the farm buildings

Tenure

The property is freehold, and vacant possession will be given upon completion of purchase

Fixtures & Fittings

All items mentioned in the sale particulars are included in the sale, all other items are specifically excluded

Planning

Planning consent was granted 2008-823 for the substantial 'Finnish' round log cabin, which is subject to an agricultural occupancy condition that states 'The occupation of the dwelling shall be limited to a person, solely or mainly working, in the locality in agriculture as defined in Section 336 (1) of the Town & Country Planning Act 1990, or in forestry or dependant of such a person residing with him/her or a widow or widower of such person.'

Basic Payment Scheme

The land has been registered to receive BPS entitlements and the vendors will retain the 2018 payment. The vendors will transfer the necessary entitlements to the successful purchaser prior to April 2019 in order that the new owner can make a claim in 2019.

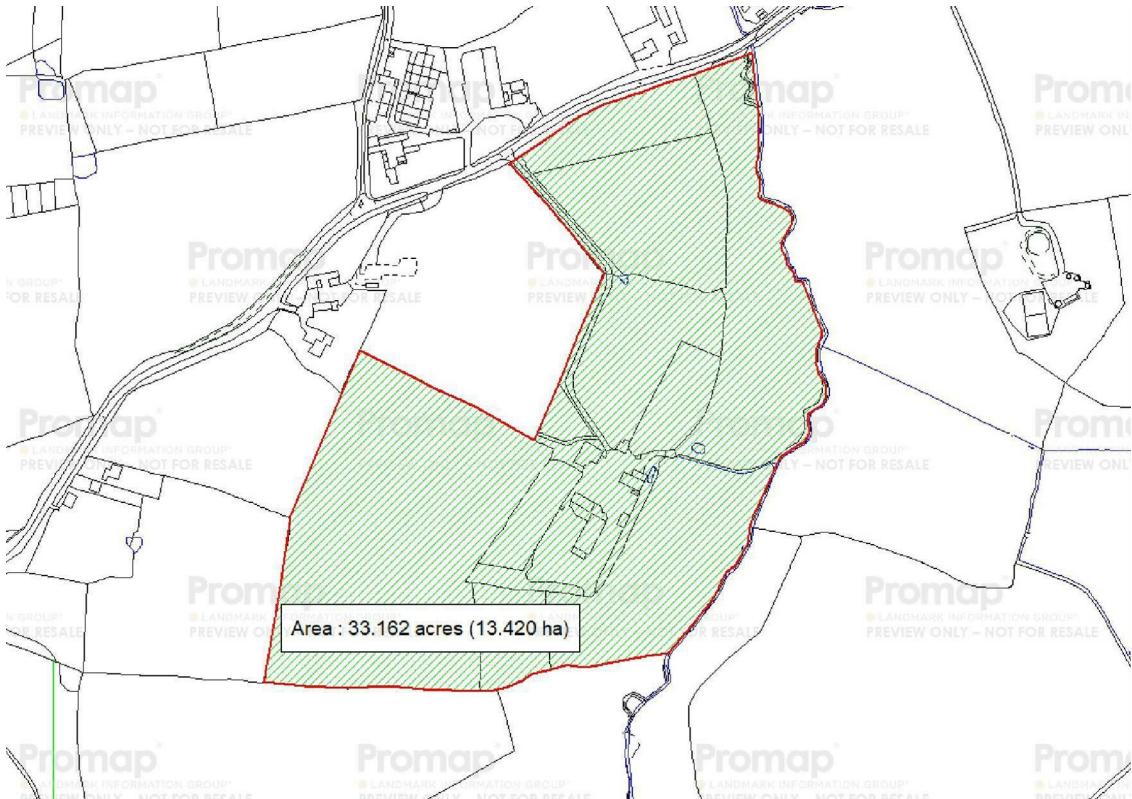

There will be an Indemnity Clause to indemnify the vendors of any breaches in cross compliance by the purchasers between completion and the transfer of entitlements.

Overage Clause

All the land will be subject to an overage clause of 30% for 30 years. This will be triggered if planning permission is granted for anything other than agricultural farm buildings or stables.

Viewing

All viewing arrangements are to be made through John Earle, please telephone 01564 794343 or email info@johnearle.co.uk.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		84
(81-91) B		
(69-80) C		
(55-68) D	56	
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales		EU Directive 2002/91/EC

Environmental Impact (CO ₂) Rating		
	Current	Potential
Very environmentally friendly - lower CO ₂ emissions		
(92 plus) A		95
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not environmentally friendly - higher CO ₂ emissions		
England & Wales		EU Directive 2002/91/EC
