

NOTRE DAME

LOOSELEIGH LANE, PLYMOUTH

THE LOCATION

The setting of this exclusive development of just six luxury homes in Plymouth is unrivalled. Notre Dame, Looseleigh Lane, offers an intoxicating mix of history and contemporary design, nature and culture.

Britain's 'Ocean City' and the rugged natural beauty of Dartmoor are both close by - combining the attractions of a dynamic coastal city with the natural playground of one of the country's most stunning National Parks.

Derriford Hospital, the Nuffield Hospital, Tamar Science Park and Plymouth University are all within easy reach. The city's three prestigious selective secondary schools - Devonport High School for Girls, Devonport High School for Boys and Plymouth High School for Girls - are less than four miles away. Notre Dame, a Catholic school for girls, is on the doorstep.

For these reasons and many more, Notre Dame is a smart choice for those seeking a contemporary home with flair.

THE LIFESTYLE

Plymouth, with its exceptional ocean setting, boasts a wealth of attractions including a vibrant theatre with national touring productions. Framed by distinctive post-war architecture, the shopping centre is the largest in the South West, outside of Bristol. For dining culture, head to the waterfront areas. In stylish dockyard and harbourside conversions, you'll find a variety of enticing eateries and exclusive clothing boutiques.

For lovers of the great outdoors, Dartmoor is equally accessible, offering superb opportunities for walking, horse riding, climbing and cycling. There are numerous walks within easy reach, allowing you to explore a range of magnificent landscapes in Devon and - just across the River Tamar - in Cornwall.

The National Trust's Saltram House, where "Sense and Sensibility" was filmed, has 500 acres of parkland to explore. Elsewhere, enjoy breathtaking views of the estuary, coast and wild open moorland, descend into wooded river valleys or discover the area's fascinating industrial archaeology.

If you prefer to keep fit and relax in luxurious surroundings, a wide choice of spas and country clubs are within easy striking distance. Among them, golf and spa facilities at China Fleet Country Club and St. Mellion International Resort; Gaia Spa at listed manor house hotel Boringdon Hall; Ocean Beauty (Nuffield Health) and the Devonshire Health and Racquet Club, which has a pool, sauna, gym and superb facilities for racquet sports. The city also offers world-ranking sporting facilities at the Plymouth Life Centre where Olympic diver Tom Daley trained.

Home to Plymouth Albion rugby team, the city also hosts many showcase sporting and cultural events, including the America's Cup World Series, the British Art Show, the national event for Armed Forces Day, as well as unique home-grown events like the Ocean City Festival and the impressive British Firework Championships, which light up the waterfront every year.

INTRODUCING YOUR NEW HOME

Situated in a desirable residential location on the northern fringe of Plymouth, the design and attention to detail at Notre Dame, Looseleigh Lane, sets these stunning modern homes apart from other new builds in the city.

Gated access leads to the private driveways of the six large detached homes, all with generous gardens and double garages. With white-rendered walls and expanses of glass, the houses have a contemporary aesthetic feel inside and out. Floor to ceiling windows in the main rooms make the most of the views, flooding the spacious free-flowing interiors with natural light.

The energy-efficient homes have an exceptionally high standard of design and finish, with subtle differences in detail adding interest while maintaining a coherent overall architecture. The internal lay-out is adaptable, ideal for growing and extended families.

Notre Dame takes its name from its location on the former Convent of the Sisters of Notre Dame. Little remains of the convent today, apart from the old boundary walls which provide an attractive feature. The intimate development site of just under one hectare is also encircled by mature trees, creating a leafy vista and a peaceful ambiance.
