SELLER'S SECRET

We have brought our three children up here in this house, it has been a brilliant family home for us, the area is great, the fields at the bottom of the road are really popular with the children for somewhere to play. Shops, schools and other amenities are really close by, its a great area to live in.

Why we like it....

A great house in a great area, extended to provide excellent space both upstairs and down. We look forward to showing you around.
