The property enjoys a tucked away position within a small cul de sac and has the added attraction of Off Road Parking and a large Garden ideal for children and pets with enough space for trampolines and football goals.

There is also a notable and substantial Summer House/Workshop which has an attractive lodge style appearance and offers a variety of uses be it a Home Office/Children's Playroom/Workshop a lovely extra feature to find.

As you walk around the property you will appreciate the generous room sizes and see first hand the brand new fitted Kitchen/Dining Room which has been stylishly fitted and has a modern and contemporary feel. The Living Room is surprisingly large ideal for the biggest of comfy sofas and enough space for a traditional dining table ideal for those family get-togethers. There are two big windows which create a good level of natural light plus a door which opens out onto the Enclosed Garden. Continuing on the Ground Floor there is a converted Garage which has become a Utility Room and helpfully for a busy household there is a Ground Floor W.C.

Upstairs the 3 spacious Bedrooms are arranged of a Landing with Bedroom Two having two windows and offering obvious potential to be sub divided should the need for a 4th Bedroom arise. The Family Bathroom features a modern white suite with a shower above the bath.
