3 The Olde Cross Keys

Cranswick
YO25 9QR

As it's name suggests, this property forms part of what was once one of the village Public houses. As a residential property, it has been inverted to great effect and now offers a quite stunning first floor lounge and kitchen area which is superbly appointed and includes a wealth of features, fixtures and fittings.

A bedroom with en-suite is on the ground floor and, in addition, there is allocated parking.

It would be a surprise to find a similar home offering such value in this very popular village.

CRANSWICK

The focal point of this delightful village is the large expanse of beautifully maintained village green, where in addition to the pond with its seating area, is a War Memorial.

The green extends to 6.5 acres and is believed to be the largest in East Yorkshire. The Norman Church of St. Peter is situated in its sister village, Hutton.
