Description

This wonderful detached home enjoys an enviable position within the ever popular village of Poppleton and boasts a prime spot nestled in a quiet cul de sac yet within easy reach of many local amenities. The village is approximately three miles from York city centre and is well connected via a train station and good road links yet still benefits from the charm of village life including local shops and junior school.

The property has been well maintained and enjoyed yet offers scope for further cosmetic modernisation and although already extended, due to the larger than average plot, there is potential to the side for extension / additional accommodation subject to necessary consents. To the ground floor are two reception rooms, breakfast kitchen and conservatory with an additional annex / ground floor studio with shower room. There are a further three bedrooms to the first floor and house bathroom. Externally, the property currently boasts gardens to the front and rear, garage, workshop and ample driveway parking. Offered for sale with no forward chain, early viewing is essential.
