Stoneridge House

North Back Lane
Kilham, YO25 4RX

A substantial home of distinction which is located on the fringe of this popular village setting flanked by open countryside and having outstanding views. The accommodation of around 2,200sq ft includes a beautifully presented lounge, separate study and the main hub of the house which comprises dining room, day room and kitchen, all being open plan and a great space for families, or even simply for socialising.

The master bedroom is well proportioned and includes a high specification en-suite together with walk-in wardrobes and double doors with balcony having views across Wolds countryside.

The three further bedrooms are all double size and there is a house bathroom. The specification goes further still with the addition of a Solar PV System which provides a proportion of the electricity supply to the property and useful centralised vacuuming system.

In summary, this is a home which is unlikely to disappoint when making arrangements to view and buyers should not waste no time in making their own private appointment.
