Energy Performance Certificates

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances. All measurements are approximate. You may download, store and use the material above for your own personal use. You may not republish, retransmit, redistribute or otherwise make the material available to any party or make the same available on any website, online service or bulletin board of your own or of any other party or make the same available in hard copy or in any other media without House-moves prior written consent. House-moves copyright must remain on all reproductions of material taken from this website including: Photos, measurements, descriptions.
