An exceptional two bedroom apartment in Greystoke Park for let, available on a furnished basis.

Greystoke Park was built by Cussins Homes in the early 1990s. The development provides a beautiful mix of luxury apartments to the entrance of the development, matched by houses and bungalows to the rear. The apartments are very well noted because of the construction detail and the large archway separating the two wings of the development.

Located on Greystoke Park directly off of Great North Road provides easy access to the A1 motorway, and local amenities in Gosforth High Street and Regent Centre shops.

This property is presented to a high standard throughout to create secure, luxury contemporary living. This apartment is one of the more spacious units within its block. The property briefly comprises:- an entrance hall, lounge/dining area with feature fireplace and two sofas, a spacious kitchen with integrated appliances, two bedrooms with double wardrobes, and a family bathroom with separate bath and shower. The property also benefits from a single garage in the adjacent block, which has electrically operated gates.
