Sterling Feature Properties
New-to-market properties are highly sought-after which is why Sterling have developed Sterling Feature Properties - exclusive previews designed to ensure that properties receive maximum exposure the day they go onto the market.

Sterling's informal-style offices have modernised the traditional estate agent presence on the high street. Our clients can enjoy a relaxed atmosphere to browse through our property details and ask any questions about properties of interest before booking a viewing. This ensures we have a higher conversion rate of viewings to offers and maximises our chance to sell or let your home in a quicker timeframe.

Photography
To speed up the marketing process, Sterling have created a unique, in-house team who are trained specifically to collect information for interactive floorplans, and multiple photographs and a comprehensive write up of your home all in one visit.
