

DEER GLADE

DARLEY

# BREATHTAKING SCENERY ACROSS HILL AND DALE

Deer Glade is the latest project to be presented by the highly regarded development team of Yorplace and Square Feet - a combination that has justifiably earned a highly regarded reputation amongst homebuyers in both North and West Yorkshire thanks to thoughtful design, considered accommodation layouts, high calibre specifications and careful detailing.

Deer Glade stands on the edge of Darley village within the Nidderdale Area of Outstanding Natural Beauty; the site enjoying far reaching aspects across the community towards breathtaking open countryside beyond, whilst to the south there is sweeping open farm land.

Designed to embrace the village setting Deer Glade provides just nine properties, consisting of eight superb cottages of varying sizes and finished in natural sandstone. Internal layouts are designed to exceed the expectations of modern day living. The ninth property is a bespoke 5 bedroom detached house with outstanding accommodation, having it's own gated driveway which sweeps through the property's paddock towards a parking area and double garage beyond.

The accompanying floor plans and specification give a broad flavour of what these quality homes offer, whilst more information on the developer's past schemes can be found at [www.yorplace.co.uk](http://www.yorplace.co.uk)

The village of Darley is set amidst some of Yorkshire's most prized and unspoilt countryside and provides a highly desirable living environment just a short drive from the fashionable spa towns of Harrogate, Ilkley and the market towns of Otley and Skipton. The business centres of West Yorkshire and the A1 corridor are all within easy travelling distance.

In an elevated position overlooking Nidderdale and within an Area of Outstanding Natural Beauty, Darley retains a traditional village atmosphere and a strong sense of community. It combines with the neighbouring villages of Dacre and Summerbridge to offer local shopping, primary schooling and traditional village pubs, as well as churches of a number of denominations and sports clubs. The location is ideally placed for the fashionable spa town of Harrogate which is just some 8 miles to the east and which offers a thriving retail experience with local as well as "high street" shops, recreational amenities and a busy social round catered for through a broad variety of restaurants, cafes and tea rooms. For the traveller the nearby A59 links Harrogate and Skipton, whilst further to the east the A1 facilitates fast north/south commuter links. For those who need to travel further afield Leeds Bradford International Airport is just some 14 miles distant.

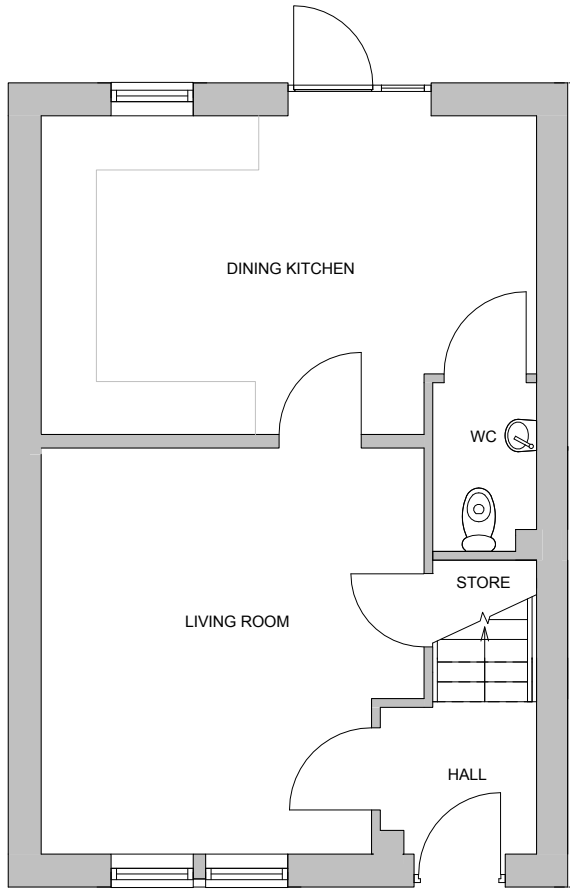

A SPACIOUS AND THOUGHTFULLY  
PLANNED ADDITION TO THE COMMUNITY
