Stylish!! That's the best way to describe this light and airy second floor studio apartment. Lying in the sought after Stoneygate area of the city, it's handy for Leicester University, the hospitals and of course the city centre. There's a great selection of independent shops and restaurants on nearby Queen's Road and Allandale Road/Francis Street. Inside you'll find a spacious hall, large lounge/bedroom, stylish, modern breakfast kitchen and shower room/ WC. Viewing a must!
