Below is the Energy Performance Certificate (EPC) for **Sydney Street**

Energy Performance Certificates illustrate the energy efficiency of homes on a scale from A to G. Those in Band A are the most efficient, and will usually have the lowest fuel bills.

The same scale is used to define the impact of a property on the environment. Higher rated homes will usually have less impact through carbon dioxide (CO₂) emissions.

To put this in perspective, the average property in the UK is in band D or E for both ratings.

The Certificate also makes energy saving recommendations that may help reduce future energy bills. In some cases, these can be financed under the Government's Green Deal. In effect, Green Deal offers UK home-owners a loan, which is repaid through regular electricity bills. The main loan condition (the "Golden Rule") is that the amount saved each year on energy bills should be more than the cost of annual loan repayments. Note that the loan stays with the house when owners move on.

to know about
local authorities

Get to know your local authorities

Local government directly affects quality of life, particularly when it comes to council tax, planning, waste disposal and the impact of local policies. You may want to investigate how this is likely to affect you if you decide to move. There are nearly 400 local authorities in England, with five different types of local government structure. These can be broadly divided into **single-tier** and **two-tier authorities**. Single-tier authorities are **Metropolitan Authorities**, **London Boroughs** and **Unitary** or **Shire Authorities**. Two-tier authorities have both a **County Council**, and a **District Council** or **City Council**. There are also around 10,000 parish and town councils, effectively creating an additional tier in some areas - mostly, but not exclusively, in rural areas. The National Association of Local Councils (NALC) represents and works on behalf of these community councils and is a useful contact point.

local schools

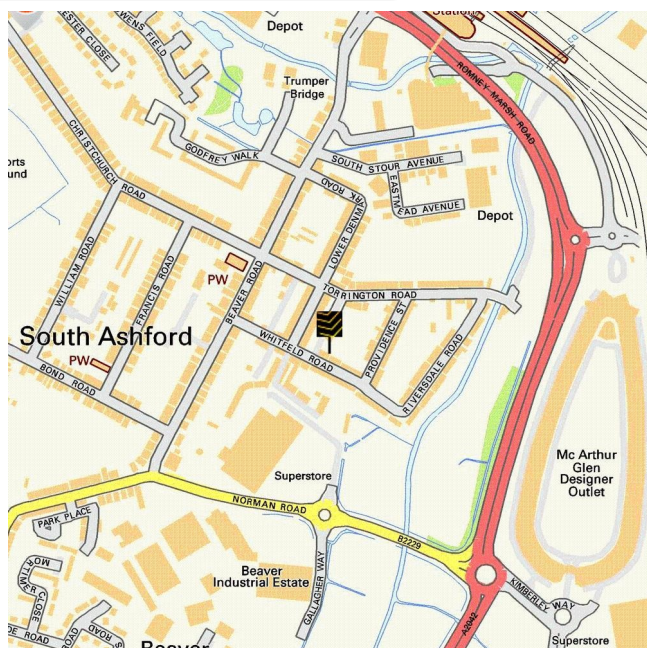

How are **local schools** performing?

If schools are important to you, then this section sets out the published Key Performance Indicators for schools near to your prospective new home. Key Performance Indicators look primarily at how well pupils perform in their tests and examinations, as well as some other measures like attendance.

If you want to know more about a particular school or college, you can also visit the Ofsted website <http://www.ofsted.gov.uk/inspection-reports/find-inspection-report>

Local Schools

The next page shows tables and charts divided into Key Stages and a list of respective schools local to **Sydney Street**. There are four main age-related Key Stages defined as:

Special schools are marked with this icon

Key Stage	Definition
Key Stage 0	Marker / indicator - no legal definition
Key Stage 1	Fits broadly with the first stage of education, i.e. ages 5-7.
Key Stage 2	Fits the later stage of primary education, often known as junior schools, i.e. ages 8-11. This takes pupils up to the standardised break at age 11 after which pupils generally change schools and transfer to secondary education.
Key Stage 3	Secondary education split between key stages 3 and 4, with key stage 3 covering ages 11-13.
Key Stage 4	Key Stage 4 (ages 14-16) covers the two year period of study for GCSE level examinations.
Key Stage 5	Beyond key stage 4 is 16+ or Sixth Form provision, sometimes unofficially referred to as Key Stage 5.

Primary Progress Measures

As well as actual pupil performance in tests and exams an important Key Performance Indicator is that of progress measures that compare the actual achievements of other pupils nationally with similar prior attainment. Any increase in attainment achieved by each pupil will be reflected in the schools progress scores. They are fairer to schools in challenging circumstances, as they recognise a school that is doing a good job with an intake with poor prior attainment.

As well as actual pupil performance in tests and exams, an important Key Performance Indicator is that of Value Added. When pupils start a school, they all have varying levels of ability and social advantage. A school's Value Added score measures how much progress they have made from the beginning to the end of their compulsory secondary education (i.e. between the end of Key Stage 2 and the end of Key Stage 4). It is a quick measurement of the effect of a school on its pupils.

your community

Understanding the demographics of the local community

Census statistics can be used to build up a detailed snapshot of the population and its composition. We can see how the population is differentiated by age, employment status, education, and so on at a particular point in time. In this section we have extracted information specific to the local area for **Sydney Street** and compared it with information for all citizens of the UK so that you can better understand the character of your prospective local community.

The below tables allow you to make a comparison between your prospective local vicinity (Output Area), County and National results. An Output Area is the lowest geographical level that census statistics are provided. They are formed from adjacent postcodes with the minimum size being 40 residential households up to a recommended size of 125 households. Urban/rural mixes are avoided where possible.
