North Shields Quayside is a vibrant and exiting place to live with many amenities right on your door step. The area is really now coming into its own with many developments coming to fruition and a good stable residential feel developing.

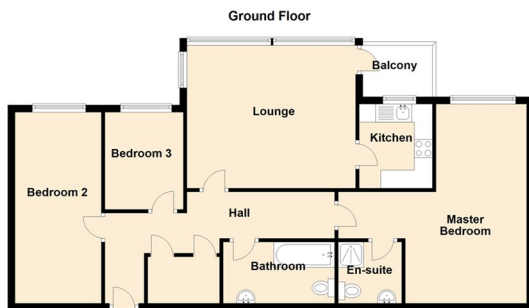

This stunning three double bedroom third floor apartment makes a wonderful riverside home with uninterrupted river views.

On entering the property the hallway, which offers a large storage cupboard, leads to a living/dining room with uninterrupted views across the River Tyne and out to sea with access to the balcony and the kitchen, the master bedroom has an en suite, fitted wardrobes and storage, bedroom two with fitted wardrobes, bedroom three and the family bathroom with shower over the bath. With a single garage the apartment also offers secured parking as well as an allocated parking space.

The Southerly aspect combined with reflected light from the river creates a pleasant relaxing atmosphere. Riverside living does not get much better than this and we strongly advise an early viewing to secure this property.
