## **CONDITIONAL ONLINE AUCTION PROCEDURE**

Every online bidder on SDL Auctions must first create an account at [www.sdluctions.co.uk/online-auctions](http://www.sdluctions.co.uk/online-auctions). This is a very quick and simple process. In order to bid, you will need to be authorised for money laundering purposes, this will be carried out at the registration stage. This check will leave a soft footprint on your credit report (but it should not affect your credit rating). The registration process also requires card details to be entered, however the card will not be processed unless you are the successful bidder.

Once you have registered, you will be able to search, download legal documents, arrange site viewings and contact the Auctioneers and the solicitors if you have queries on the property.

If you are the successful bidder, at the end of the specified time period, you'll enter into a reservation agreement with the seller and have 28 days within which to exchange. If you fail to do so, you may lose your reservation fee. During the 28 day reservation period, the seller is not able to accept other offers.

The sale of each Lot is subject to a reservation fee of 4% + VAT (4.8% inc VAT) subject to a minimum £5,000 +VAT (£6,000 inc VAT). The reservation fee does not contribute towards the purchase price.

We will automatically charge you a minimum fee of £6,000, unless stated otherwise above (using the payment details provided at the registration stage) if you are the successful bidder, as payment towards a reservation fee. Where applicable, you will be required to pay any outstanding amounts of the reservation fee immediately after the end of the auction, which can be paid by debit card or bank transfer. This will be specified in the reservation contract.

By placing a bid, you are authorising the auctioneer to sign the reservation agreement on your behalf.
